Notice of NCAA Probation: From 2007 to 2010 the University of Nebraska unintentionally reimbursed student-athletes for recommended textbooks as well as required textbooks through a failure to properly administer and monitor book scholarships. Only reimbursement for required books is permissible under NCAA rules. As a result, the NCAA placed the University of Nebraska on two-year probation, beginning in January 2012. The NCAA did not impose additional penalties such as loss of scholarships, forfeiture of games, or a ban on postseason play. Rather, as a condition of probation, Nebraska will continue to educate student-athletes and staff thoroughly on NCAA bylaws and will notify prospective student-athletes of its probationary status.

THIS IS NEBRASKA

Since the Nebraska soccer program's inaugural season in 1994, Coach John Walker has been on a mission to construct teams and develop players ready to compete for conference and national championships. In 18 seasons, Walker has developed a program that has competed among the elite in collegiate soccer.

In less than two decades, Nebraska has earned 256 wins and made 10 NCAA Tournament appearances, including eight trips to the NCAA Sweet 16 and a pair of Elite Eight berths. In that time, the Huskers also won a conference-best five Big 12 Tournament titles and had 45 student-athletes earn first-team All-Big 12 honors. The Huskers transitioned to the Big Ten Conference in 2011 and added two all-conference honors. Nebraska's athletes consistently go on to find success at the next level of soccer as professional and national team players.

One of the reasons Nebraska has been able to develop a successful program is the level of dedication shown by the University. From its humble beginnings off campus at the Abbott Sports Complex, the soccer program now enjoys state-of-the-art facilities, including administrative offices, locker rooms and indoor training areas, located in the heart of campus. With a wealth of support and a history of success, Nebraska soccer expects to contend for championships in the years to come.

Three former Huskers represented Canada at the 2008 Olympic Games, in the country's first-ever Olympic appearance, while Brittany Timko and Karina LeBlanc both represented Canada at the 2012 Games in London. Since the inaugural Women's World Cup in 1991, nine former Nebraska soccer players have participated in 16 World Cup competitions. In 2003, seven former Huskers made up the 20-player Canadian roster that advanced to the semifinal match. Four former Huskers joined the Canadian squad for contests in the 2007 World Cup and two more Huskers competed in the 2011 World Cup.

Huskers in Pros

With stellar collegiate careers behind them, several Huskers chose to continue their playing days at the professional level. Eleven former Nebraska soccer players were drafted into the Women's United Soccer Association (WUSA), an eight-team league that ran from 2000 to 2003, while three former Huskers played in Women's Professional Soccer (WPS), a six-team league that started in the spring of 2009 and ended in May of 2012. NU is one of six schools to have at least two former players drafted in the WPS, and only seven programs that had more players in the league.

Soccer Facilities

The home of the Huskers, the Nebraska Soccer Field and its surrounding facilities provide NU players with every tool needed to be successful. Since moving on campus for the first time in school history in 2005, the Huskers have played the past seven seasons on the field, which is located off the northeast corner of Memorial Stadium in the Ed Weir Track. The facility features seating for at least 3,500.

The field is also located directly next to the Hawks Championship Center, which houses new offices, locker rooms, meeting rooms and indoor practice facilities for the Husker soccer program. Nebraska is one of the few schools in the nation with all of its soccer facilities located on campus.

Right: Named after the former Husker defender, the Jenna Cooper Team Room includes a flat screen, high-definition television, a conference table and a lounge area for hosting team meetings and other gatherings. Players and coaches each have ample space to view game or practice video, giving them a greater edge in preparing for competition.

Below left: Each Nebraska player is introduced to Husker fans before home contests, after which the NU squad honors America with the playing of the national anthem.

Below right: Nebraska's locker rooms include a student-athlete lounge, where players can relax between classes, meetings or practices while watching television or surfing the wireless Internet.

The newly redesigned soccer locker room features hand-made wood units for each player. The lockers are also customized with a name plate and action photo of the player.

The design of the locker room allows each athlete to have a greater amount of space and personal storage, while providing a convenient location next to the players' lounge.

CHAMPIONSHIP FACILITIES

Nebraska's top facilities are not limited to the soccer program. Nearly every Husker sport enjoys a venue that ranks among the nation's best. Nebraska provides its student-athletes top-notch game-day and practice atmospheres in every sport. The Nebraska men's and women's basketball and wrestling programs benefit extensively from the addition of the Hendricks Training Complex at the Devaney Center. The new facility includes new practice courts and a wrestling room along with expanded strength and conditioning and athletic medicine areas.

Top left: Memorial Stadium is packed for every home game and features a giant HuskerVision replay board. The Mitsubishi replay screen is one of the largest in any college stadium in the United States, measuring 117-feet, 7 1/8-inches wide by 33-feet, 7 3/16-inches high, roughly five times the width of the original screens inside Memorial Stadium. There are also replay boards in each of the four corners of the stadium and new ribbon boards spanning the east and west balconies.

Middle: Nebraska's teams compete in some of the nation's finest facilities in front of large crowds. The Huskers are also committed to improving their facilities on an annual basis, including the new Hendricks Training Complex, which opened in the fall of 2011. The Nebraska baseball and softball teams opened an indoor hitting facility in the fall of 2011. Pinnacle Bank Arena is set to open downtown in 2013-14 for Nebraska men's and women's basketball.

ATHLETIC MEDICINE

Providing expert care to more than 600 Husker student-athletes, Nebraska features one of the most well-trained and highly skilled athletic medicine staffs in the country.

Under the guidance of Director of Athletic Medicine Dr. Lonnie Albers, Head Athletic Trainer and Physical Therapist Jerry Weber and Women's Soccer Athletic Trainer Lisa Loewenstein, the 2012-13 Nebraska athletic medicine staff consists of five doctors, two therapist/athletic trainers, eight athletic trainers and six graduate assistant athletic trainers.

Nebraska's team of orthopaedists is led by Chief of Staff Dr. Pat Clare, a nationally respected orthopaedic surgeon with more than 30 years of service to Husker athletics.

Above and bottom: Nebraska athletic trainers work with athletes to get them back to peak physical condition as quickly as possible. They utilize state-of-the-art equipment throughout Nebraska's facilities.

Left: The Athletic Medicine Center features a hydrotherapy area that includes a three-level laned pool, which allows student-athletes across all of Nebraska's sports to work out simultaneously. The Hydroworx 1000 Treadmill Pool is equipped with two cameras underwater for evaluation and assessment, while hot and cold plunge tanks are also available to the Huskers.

The medical facilities at Nebraska have long been among the nation's best, and NU's athletic medicine center within the Tom and Nancy Osborne Athletic Complex will keep the Huskers on the front line of technology for decades to come. In addition to Nebraska's North Stadium facility, the NU Coliseum, the Bob Devaney Sports Center and Haymarket Park all feature athletic medicine areas. The Devaney Center's Athletic Medicine facility underwent an extensive expansion as part of the Hendricks Training Complex addition in 2011.

Using the best on-site medical equipment and resources in college athletics, the Nebraska athletic medicine staff provides Husker student-athletes with highly skilled medical care throughout the year.

NUTRITION

Nebraska's Sports nutritionist and registered dietitian Lindsey Remmers and nutritionist Scott Trausch work with all 23 of Nebraska's sports by educating athletes on topics such as increasing lean body mass, losing body fat, staying hydrated, nutritional strategies for competition, maximizing recovery following workouts and supplement use. Athletes are given individualized nutrition plans that can be applied in Nebraska's Performance Buffet at the Lewis Training Table, which was remodeled and expanded in 2010. In addition to utilizing the Lewis Training Table each day for lunch and dinner, student-athletes have access to fueling stations called The Landing, located in North Stadium and the Oasis, located in the Hendricks Training Complex. Both provide chocolate milk, shakes, bars, fruit, nuts, bagels, vitamins and Gatorade at any time before and after training to maximize performance gains and recovery.

HUSKER POWER

The model strength and conditioning program in the nation, Husker Power plays a major role in the continuing success of Nebraska athletics. Nebraska's strength program was the first in the nation.

With 13 staff members, Husker Power is one of the most comprehensive strength and conditioning organizations in the nation.

Nebraska's strength training facilities have set the standard in collegiate athletics since the early 1970s. The Ndamukong Suh Strength and Conditioning Center in the Osborne Athletic Complex has taken the Husker program to a whole new level in the past five years.

"The University of Nebraska strength and development program is the model for others in the country."

Three Reasons for Success

Program - The Husker Power Strength and Conditioning Program is geared for maximum improvement of performance on the field. Each athlete receives their own individual computerized program each year.

Supervision - The Husker Power staff has nine full-time strength and conditioning specialists and four interns. Brandon Rigoni works directly with the soccer program to help Husker athletes prepare for a successful athletic career.

Facilities - The Ndamukong Suh Strength and Conditioning Center in the Osborne Athletic Complex is the finest all-around athletic facility in the nation, providing athletes with all the tools necessary to achieve at the highest level.

ACADEMIC SUCCESS

The success of Nebraska student-athletes reaches far beyond athletic competition. More Husker student-athletes have been selected to CoSIDA Academic All-America teams (299) than any other school in the nation, and Nebraska has produced more NCAA Top Eight Award winners (16) than any other school. As it enters its second season of Big Ten Conference competition in 2012-13, Nebraska continues to set the standard for the approximately 1,400 NCAA member institutions.

The Husker football team leads all individual sport programs in the nation with 102 all-time CoSIDA Academic All-America awards. The Penn State football program ranks second among all sports nationally with 60 all-time academic All-Americans. In fact, Nebraska's 102 football academic All-Americans would rank among the top 25 schools (all sports, all divisions) in the nation in the number of CoSIDA Academic All-Americans. The NU volleyball program has captured more academic All-America awards (36) than any other women's team in the nation, while the Husker softball program ranks second on that list with 29 selections. Nebraska also ranks among the top 10 schools in the nation in CoSIDA Academic All-Americans in baseball, women's basketball and men's and women's track and field/cross country. Over the past two years, the men's and women's track and field programs have produced 10 CoSIDA Academic All-Americans - the most in the nation during that span.

Huskers Build on Academic Tradition in 2011-12

Husker student-athletes produced another stellar year at the University of Nebraska, continuing NU's tradition of academic success. Nebraska increased its nation-leading total of CoSIDA Academic All-Americans across all sports to 299 with a Big Ten Conference-leading eight honorees in 2011-12. A total of 190 Husker student-

athletes captured academic All-Big Ten honors, while Huskers earned 667 spots on the Nebraska Scholar-Athlete Honor Roll during the fall and spring semesters.

Track and field All-Americans Tyler Hitchler and Ashley Miller led an impressive season for Coach Gary Pepin's program. Hitchler, an All-American on and off the track during his career, claimed Nebraska's Male Student-Athlete-of-the-Year award. A first-team All-American in the discus in 2012, Hitchler was also NU's male recipient of the Big Ten Medal of Honor. A two-time Nebraska Student-Athlete HERO Leadership Award winner and a four-time member of the Nebraska Student-Athlete Advisory Committee, Hitchler was accepted into medical school at the University of Nebraska Medical Center. Miller, a three-time All-American on the track, was a co-captain of both the NU women's cross country and track and field teams in 2011-12. The 2011 CoSIDA Academic All-American was NU's female recipient of the Big Ten Medal of Honor and the women's track and field team's Big Ten Sportsmanship Award winner. The track and field program added a trio of 2012 CoSIDA Academic All-Americans, led by senior Bjorn Barrefors who became just the 13th Husker in history across all sports to be a three-time academic All-American. The multi-eventer from Stockholm, Sweden, was joined on the 2012 first team by senior Nate Polacek, who earned a spot on the academic All-America team for the second straight season. Junior distance runner Brett Grieb added a third-team CoSIDA Academic All-America award. Husker student-athletes produced another stellar year at the University of Nebraska, continuing NU's tradition of academic success. The Nebraska wrestling team also produced a pair of CoSIDA Academic All-Americans for the first time in program history. Heavyweight Tucker Lane claimed first-team honors to close his career as a two-time CoSIDA Academic All-American. Lane, who also earned a prestigious NCAA Postgraduate Scholarship worth \$7,500, was joined by second-team academic All-American Josh Ihnen. The junior added All-America honors on the mat as well for the Huskers in 2012.

Top left: Nebraska Student-Athletes of the Year Ashley Miller (left) and Tyler Hitchler (right) earned multiple All-America awards for the Husker track and field program.

Bottom left: A four-time academic all-conference honoree, Katie Goetzmann earned her degree in business administration in May of 2012 after starting 61 games for the Huskers.

Across all sports, Nebraska student-athletes claimed 190 academic All-Big Ten selections, just two shy of its Big 12-record-setting total of 192 in 2010-11. The Husker baseball (17), women's tennis (7), bowling (4) and women's rifle (4) teams all led the Big Ten in academic All-Big Ten selections, while the NU football (27), softball (10) and men's golf teams (6) all ranked second among conference schools.

Over the past four years, Nebraska has claimed nearly 740 academic all-conference certificates across all sports. Huskers also earned 667 spots on the first Nebraska Scholar-Athlete Honor Roll, which recognizes student-athletes who produce 3.0 or better grade-point averages in the fall or spring semesters. Husker student-athletes also produced 92 perfect 4.0 GPA semesters during the 2011-12 academic year, while 65 NU student-athletes were named Big Ten Distinguished Scholars for producing 3.7 or better GPAs during the 2011-12 academic year.

The hard work, dedication and commitment of Nebraska's student-athletes in the classroom resulted in a record-setting 155 current or former student-athletes earning degrees from August of 2011 through May of 2012.

Each spring Nebraska hosts its annual Student-Athlete Recognition Banquet to honor Huskers who have earned either a 3.0 or higher cumulative GPA or have earned a 3.0 or higher GPA in the previous calendar year. In the spring of 2012, Husker student-athletes earned 321 academic honors medallions.

THE NEBRASKA ACADEMIC EXPERIENCE

From the day student-athletes decide the University of Nebraska is the right place to be, the athletic academic counseling unit provides personal and academic support to ensure that student-athletes will get the most out of their years as Huskers. Featuring one of the most innovative and comprehensive academic support systems in the country, Nebraska is dedicated to helping its student-athletes become outstanding leaders in their chosen fields. The academic support team is comprised of 13 full-time staff members and a tutorial staff of approximately 75 tutors addressing all subject areas.

Academic Counseling

Eight academic counselors and three assistant academic counselors are in place to monitor daily academic progress, receive consistent course feedback, assist with the advising/registration process and monitor continuing eligibility and progress toward graduation. Essentially, academic counselors assist student-athletes in navigating the University of Nebraska system.

Tutorial Support

A tremendous resource for all academic abilities, unlimited tutorial support is available from day one up to college graduation. Subject and mentor tutors help provide academic support and study strategies to be successful. Supplemental Instruction, a sub-component of the tutorial program, provides targeted group review sessions to help ease the transition to college academics while improving study strategies and building academic self-esteem.

Study Hall

Nebraska's study hall program is housed in the D.J. Sokol Enrichment Center within the Student Life Complex. Student-athletes attend a supervised, flex-time study hall that features day, evening and weekend hours. Each student-athlete is required to complete a specific number of study hours each week as determined by their academic counselor and/or coach. In addition, weekly study hall reports are provided to the coaching staff. Additional performance-based or tutor-based study hall may also be determined by the academic counselor.

Mentoring

Many student-athletes meet with a mentor on a weekly basis to assist in making a smooth transition from high school to college. Mentors collect syllabi, gather and report academic progress information and teach academic success strategies.

Educational Assessments

Assessments are administered upon the request of the student-athlete, academic counselor, or coach to determine student strengths and areas for improvement. Results allow academic counselors to develop a personalized academic support program and to determine if more in-depth testing is warranted. When additional assessments are necessary, referrals are made to a consulting psychologist who conducts the assessments. If it is determined that a student-athlete has a learning disability, appropriate accommodations are made through the Office of Services for Students with Disabilities.

Student-Athlete Orientation

The academic staff coordinates New Student-Athlete Orientation to help newcomers adjust to the multiple demands of being a college student-athlete. Presentations are made by academic counselors, compliance officials, NU faculty and administrators, business/community professionals and student-athletes.

Personal Counseling

Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

Computer Resources

Student-athletes enjoy a new state-of-the-art computer lab and technology center with 58 computers and professional supervision. Laptops are also available during team travel. Student-athletes have the benefit of ongoing education and assistance from a full-time computer technician.

The Nebraska Student Life Complex (left page) opened after receiving an \$8.7 million expansion and renovation in 2010. The Student Life Complex tripled the size of NU's previous academic support area for student-athletes.

The Nebraska Life Skills program helps Husker student-athletes experience the benefits of service to others while learning to expand their own leadership skills both on and off the fields of competition. The Abbott Life Skills Center (below) is located within Nebraska's new Student Life Complex. 2012 Big Ten Tournament

After not having a Big Ten Soccer Tournament in 2009 or 2010, the conference's championship event returned in 2011 to decide the automatic bid to the NCAA Tournament.

Last season, Northwestern played host to the tournament at Lakeside Field, where No. 2 seed Illinois won its second conference tournament title with a 2-1 overtime win over No. 1 seed Penn State.

The 2012 Big Ten Soccer Tournament will begin on Wednesday, Oct. 31 and continues through Sunday, Nov. 4 at Bill Armstrong Stadium in Bloomington, Ind.

Starting in 1994, host-school Wisconsin won the first conference tournament with a 3-0 win over Minnesota, while the Badgers added another tournament title in 2005. Eight programs overall have won a Big Ten Tournament title, including five teams that have won multiple crowns. Penn State is the only school with more than two tournament titles, as the Nittany Lions have won five crowns (1998, 2000, 2001, 2006, 2008).

2012 NCAA Tournament

The 2012 NCAA Tournament will consist of 64 teams, beginning on Nov. 9 and ending with the national championship game on Dec. 2 at Torero Stadium in San Diego, Calif.

The first three rounds and the quarterfinals will take place at campus sites around the country. The first and second rounds will be held Nov. 9-11 at campus sites.

Third-round games will be contested at eight host institutions Nov. 16-18. The tournament quarterfinals take place Nov. 23-25 at four campus sites.

The 31st annual Women's College Cup will begin with the semifinals on Nov. 30 in San Diego, Calif., and the 2012 national champion will be crowned on Dec. 2.

Nebraska has been host to opening-round action on seven occasions since 1996, making six straight Sweet 16 appearances from 1996 to 2001 and eight in the last 13 years overall.

Torero Stadium in San Diego, Calif., will host the 2012 Women's College Cup starting on Friday Nov. 30.

John's Journey

Coach John Walker came to Lincoln in April 1994 and 18 seasons later, he has built a tradition rich program at Nebraska that includes 10 NCAA Tournament appearances, two trips to the Elite Eight, six trips to the Sweet 16 and eight conference championships.

Nebraska became the first Big Eight school to add women's soccer as a varsity sport, and Walker was optimistic about the future of soccer in the Cornhusker state because of the University's commitment to building a winning program. That commitment has remained strong throughout the program's history, and in 2005 the Huskers moved into impressive facilities on the Nebraska campus.

Walker's goal when he started at NU was to have the Huskers in their first NCAA Tournament by the 1998 season. Walker not only achieved that goal, he shattered his own timeline as NU reached the postseason in 1996, before earning seven straight top-15 national finishes.

In 18 years at the helm for the Huskers, Walker has produced the 20th-best career winning percentage among active NCAA Division I women's soccer coaches at .691 (256-108-23). He also ranks 22nd all-time with his .691 winning percentage among coaches with a minimum of 10 years at the helm. Walker is the only head coach to produce more than 100 wins in fewer than eight seasons and notched his 200th career victory in the 2005 NCAA Tournament.

Under Walker, the Huskers have made NCAA Sweet 16 appearances in eight of the last 16 years, including two trips to the Elite Eight. They have compiled a remarkable 231-86-23 record over the last 16 seasons and won three Big 12 regular-season crowns and five Big 12 Tournament titles. NU swept both Big 12 Conference titles in 1996, 1999 and 2000.

In 1999, Nebraska enjoyed its best season in the program's 18-year history, running to a 22-1-2 final record, a Big 12 regular-season title and a Big 12 Tournament crown. The Huskers missed their first trip to the NCAA Women's College Cup (semifinals) by the narrowest of margins, as Notre Dame advanced on sudden death penalty kicks, 4-3, after one of the greatest matches in NCAA Tournament history.

Walker and the Huskers have also made Nebraska women's soccer one of the hottest tickets in the nation. In 1999, the Huskers set a school single-season record and ranked among the top five teams in the nation, averaging 1,529 fans per game, including a then school-record attendance of 3,702 fans in the NCAA quarterfinals against Notre Dame. Over the past seven seasons, the Huskers have averaged nearly 900 fans per home contest. In 2002, NU rewrote the single-game attendance record, when 4,830 fans attended the Nebraska vs. North Carolina contest to open the season. In 2004, more than 10,000 fans saw the Huskers play in their final season at the Abbott Sports

Complex, including 3,620 in the home opener against the Tar Heels. In 2005, Walker and the Huskers moved on campus for the first time in school history, allowing a more convenient location for players and fans. The Huskers again hosted the Tar Heels to open the 2011 season and a facility-record 2,319 fans came out for the season opener. Over the past three seasons, the Huskers have dropped just six games at the Nebraska Soccer Field and have posted an 22-6-3 record.

With a proven system, an innovative coaching philosophy, a well-respected program and an ability to recruit some of the nation's most talented players, Walker has the Huskers focused on contending for conference and national championships on an annual basis.

In 1998, Nebraska overcame the loss of five senior starters, including All-Americans Kari Uppinghouse and Rebecca Hornbacher, to finish with a 17-4-1 record and claim a second Big 12 Conference Tournament title. The Huskers advanced to the NCAA Sweet 16 and finished with a final No. 10 national ranking.

Nebraska's 1998 success followed on the heels of an 18-4-0 season in which the Huskers advanced to the Sweet 16 in the NCAA Tournament before losing at Notre Dame. The Huskers ended the 1997 season ranked No. 7 in the final NSCAA Poll.

Building from the Beginning

Walker and the Huskers built their success on a breakthrough season in 1996.

Not only did Nebraska earn its first trip to the NCAA Tournament, the Huskers placed themselves among the nation's elite by winning two tournament games and advancing to the NCAA quarterfinals.

Along the way, Walker established himself as one of the finest coaches in America, earning NSCAA/Umbro National Coach-of-the-Year, NSCAA/Umbro Central Region Coach-of-the-Year and Big 12 Conference Coach-of-the-Year recognition.

Walker led the Huskers to a perfect regular season with a 19-0 record and the first regular-season Big 12 title.

Nebraska extended its winning streak to 21 games with two more wins at the Big 12 Conference Soccer Championships in St. Louis to capture a second conference crown.

The Huskers entered the NCAA Tournament with the nation's longest winning streak as the only unbeaten and untied team in the country.

But Nebraska's perfect ride through the 1996 regular season did more than just put wins in the record books, it put fans in the stands, establishing a devoted following of Husker faithful.

Nebraska finished the season with the sixth-highest average attendance in the nation, and based on its unblemished record and outstanding fan support, earned a home bid in the first round of the NCAA Tournament.

After a perfect regular season, Walker and the Huskers were not satisfied with just making it to the NCAA Tournament. They set their sights on a trip to soccer's semifinals in Santa Clara, Calif.

Nebraska proved it was a contender with a 3-2 overtime win over Minnesota in the opening round in front of a then-school-record crowd of 1,544. The win over the Golden Gophers set up a second-round rematch with Duke at the Abbott Sports Complex.

The Huskers had come from behind to defeat the then-No. 6 Blue Devils, 3-1, in Durham, N.C., on Sept. 8, for Nebraska's first-ever win over a ranked opponent. Although Duke came to Lincoln with a rich soccer tradition and plenty of NCAA Tournament experience, the Huskers dominated the Blue Devils from start to finish in a 3-0 win.

With the victory, the Huskers earned a trip to Oregon to challenge perennial power Portland. Although the Huskers battled until the end, they could not manage a goal, losing 1-0 to the Pilots. The Huskers finished the 1996 season with a 23-1-0 record and a final No. 6 national ranking.

Since posting its first top-25 win over Duke in 1996, Nebraska has made beating ranked opponents commonplace. During the past 12 seasons, Walker and the Huskers have posted 33 wins over top-25 teams, including a double-overtime win at No. 25 Virginia Tech in 2011.

Success Beyond Nebraska

Walker's Nebraska program has also proven that it can produce All-America players. In just 18 years, 11 Huskers have earned a total of 17 NSCAA All-America certificates from the National Soccer Coaches Association of America and five Huskers have captured freshman All-America accolades under Walker.

Walker also has helped Husker players compete at the international level. Over the past several seasons,

Nebraska has boasted 24 players with national team experience, including current Huskers Jordan Jackson (USA) and Ari Romero (Mexico).

Former NU athletes have seen success at the professional level as well. Seven Huskers were selected in the inaugural WUSA Draft in December of 2000. Nebraska's total number of athletes selected was second behind North Carolina. Four of the first 24 players chosen in the draft were former Huskers. In 2002, Nebraska saw its highest pick ever when Breanna Boyd was drafted eighth in the first round by the defending champion Carolina Courage. Christine Latham also became an instant starter for the San Diego Spirit when she was picked up as a discovery player for the WUSA team, after bypassing the entire draft process. Walker boasted five former athletes on 2003 WUSA rosters, three of whom were named to All-Star rosters, which ranked seventh among all Division I programs. In January 2010, former Husker Carly Peetz was selected in the sixth round of the 2010 Women's Professional Soccer Draft by the Boston Breakers.

As a member of the Big 12 Conference, Walker's teams won five of the 15 Big 12 Tournament championships with titles in 1996, 1998, 1999, 2000 and 2002. The Huskers also brought home Big 12 regular-season crowns in 1996, 1999 and 2000, and in the 15-year history of the conference, Nebraska posted a league-best 106-47-15 regular-season mark and a .631 winning percentage. Along with the team accomplishments, the Huskers were rewarded with 70 individual regular-season all-conference selections and 33 All-Big 12 Tournament awards. Former Husker Christine Latham was also the first league player to be named Big 12 Player of the Year in back-to-back seasons (2000, 2001), a feat repeated by Timko in 2004 and 2005. Timko went on to top that record the following season, earning co-Player of the Year honors with Oklahoma State's Yolanda Odenyo, to become the first player selected as Player-of-the-Year three times. Morgan Marlborough claimed a spot in the record books in 2009, as she was named Big 12 Offensive Player and Rookie of the Year, just the third freshman to

win a player-of-the-year award in conference history. The Lee's Summit, Mo., native earned Big 12 Offensive Player of the Year honors again in 2010.

Nebraska's fast track to national prominence in soccer was aided by NU's decision to become the first school in the Big Eight Conference with a women's soccer program in 1994. Although Nebraska was ahead of other Big Eight schools, Walker started the 1994 season behind the rest of the nation in recruiting because of his late hiring.

However, in his first season as the Huskers' mentor, Walker managed to put together a collection of scholarship players and walk-ons who recorded a surprising 14-4 mark and earned credibility around the nation with a successful inaugural campaign.

Walker and his staff followed their initial on-field success by compiling an excellent incoming class that included transfers Kari Uppinghouse, who became Nebraska's first first-team All-American in 1996, and third-team All-America goalkeeper Rebecca Hornbacher.

The Huskers also implemented a year-round approach to training and conditioning. This approach included a strong spring schedule, a tradition that has continued at Nebraska. In 2006, the Huskers traveled abroad to England and Scotland to face a multitude of international competition and then returned to Europe in the summer of 2011.

While Walker built the Huskers, he continued to expand his coaching experience as a staff coach for the Canadian National Team. During the summer of 1999, Walker was an assistant coach for Canada's Women's World Cup team. He currently works with both the Under-16 National Team and the Canadian World Cup Team.

Walker came to Nebraska from Queen's University in Kingston, Ontario, following achievements at the collegiate, national and international levels.

Walker was named national staff coach for the Canadian Soccer Association in 1992, and the following year he was appointed an assistant coach for the Canadian World University Games team. Walker holds a Canadian "A" coaching license (highest level), a Level V certification and a USSF "A" license. Walker was a national coaching instructor for the Canadian Soccer Association and served as director of high performance for Ontario, where he supervised coaches and players at Ontario's National and Provincial Training Center.

Walker was a standout sweeper for Queen's University from 1982 to 1985 and received bachelor's degrees in physical education and physical therapy from Queen's in 1987. He earned a master's degree in coaching science from Miami of Ohio in 1988. He also is a graduate of the Canadian National Coaching Institute.

The Kingston, Ontario, native is married to Mary Holmes and the couple has one daughter, Ally, and four sons, Declan, Cameron, Keegan and Liam.

Off the field, John Walker devotes his time to his wife, Mary, and their five children: Declan (left), Liam (front left), Keegan (front right), Cameron (back left) and Ally (back right).

DAN BASSETT

• ASSISTANT COACH

• THIRD SEASON

• WARWICKSHIRE AND HINCKLEY COLLEGE (2002)

Dan Bassett was hired as an assistant coach for the Nebraska soccer team in July 2010.

In his first season as a full-time member of Head Coach John Walker's staff, Bassett helped the Huskers post a 13-7-1 record, including a 9-1-0 record at home.

A familiar face to the NU soccer program, Bassett previously spent three seasons as a volunteer coach for the Huskers (2005, 2006 and 2008). During that time,

he also coached the Bellevue West High School boys and girls squads and played two seasons for Bellevue University, helping the Bruins compile a 25-12 record. Bassett served several roles while on the Husker support staff, including alumni relations, video operations and gameday operations.

"This is a position that I will put my heart and soul into," Bassett said. "It may be cliché to say that the university has a huge tradition of academic and athletic excellence, but it is true. I am fully aware of those traditions and will aim to not only honor them, but do my best to enhance them."

A native of Bulkington, England, Bassett moved to the United States in 2004 and began his coaching career with club teams in Kansas City and Omaha. He earned an engineering degree from North Warwickshire and Hinckley College in 2002. While in England, Bassett also spent time coaching the Coventry and Birmingham women's Centers of Excellence.

He resides in Lincoln with his wife, Stacie, a native of York, Neb.

MARTY EVERDING

• ASSISTANT COACH

• 16TH SEASON

• QUEEN'S UNIVERSITY (1989)

Marty Everding returned to the Huskers as an interim assistant coach for the 2010 season and then moved to a permanent assistant in 2011 after spending 13 years with Nebraska from 1994 to 2006. In his previous stint with the program, Everding played a crucial role in the ascension of Nebraska's program to national prominence.

As the Huskers' goalkeeping coach, Everding developed two of the best goalkeepers in Big 12 Conference history. In 2000, Karina LeBlanc led the Big 12 and ranked second nationally with a 0.40 goals-against average.

LeBlanc went on to start in goal for the Canadian National Team and the WUSA's Boston Breakers,

and followed in the footsteps of All-American Rebecca Hornbacher, who started in goal for the Huskers in 1996 and 1997. Hornbacher also played for Boston in its inaugural WUSA season, while continuing her career as a collegiate goalkeeping coach.

Everding helped transform former Husker Erin Miller from a defender to an all-conference goalkeeper. In her two seasons in the net, Miller recorded 239 saves, 21 shutouts and a 0.98 goals-against-average.

After proving he could do it once, Everding took on the challenge of transforming Brooke Bredenberg from a midfielder to a goalkeeper. Bredenberg had a solid 2003 spring season in goal under Everding's tutelage, not conceding a goal to an amateur team through five contests, including 2003 national runner-up Santa Clara. Bredenberg, who is now the head coach at North Star High School, went on to post a 1.39 goals-against average in 2003 before moving back to midfielder. Katie Wright stepped in and started both of Nebraska's NCAA Tournament games and recorded 1.5 shutouts for the season. Wright then played every minute of the 2004 season, allowing just 29 goals in 23 games for a goals-against average of 1.25. Wright also stopped 108 shots, becoming just the second player in school history to post 100 saves in a season.

In 2005, Everding helped true freshman Jamie Klages start 18 games and compile a 1.19 goals-against average

while stopping 88 shots and posting six shutouts. Klages was invited to train with the U.S. Under-21 National team.

Everding was a player at Queen's from 1981 to 1983 and 1986 to 1988. He was an assistant coach at Queen's from 1989 to 1990, before joining Walker's Nebraska staff.

Everding graduated from the Canadian National Coaching Institute and holds a Canadian Level IV coaching license as well as a USSF "B" license.

A native of Kingston, Ontario, Everding graduated from Queen's in 1989 with a bachelor's degree in drama and education. Between coaching stints, Everding worked as a secondary school teacher.

team captain, 2004 Special Teams MVP, 2006 Nebraska Lifter of the Year and earned a scholarship prior to the start of his senior season.

Upon graduation from Nebraska, Rigoni studied abroad in Italy before returning to the Nebraska Athletic Department as a volunteer strength and conditioning coach.

Rigoni married the former Laura Sprague on May 7, 2011.

Hall of Fame football coach Tom Osborne has continued to leave a lasting impression on the history of Nebraska Athletics since returning to lead the Husker program as the school's 13th athletic director on Oct. 16, 2007. Osborne, who led Nebraska to three national championships (1994, 1995, 1997) and 255 victories in his 25 years as the Huskers' head football coach, has continued to use his impressive leadership skills to guide the NU athletic department as a whole over the past four seasons.

With the core values of integrity, trust, respect, teamwork and loyalty serving as guiding principles for Nebraska's 23-sport program as a whole, Osborne has made historic decisions to help the University of Nebraska athletic programs for years to come.

In June of 2010, Osborne joined Nebraska Chancellor Harvey Perlman and Big Ten Conference Commissioner Jim Delany to announce the Huskers would join the Big Ten beginning on July 1, 2011. Nebraska's move to the Big Ten will continue to add University-wide academic opportunities, while providing financial stability for the athletic department for years to come.

Just a few months later, Osborne announced an aggressive expansion plan for the east side of Memorial Stadium that will increase attendance past 90,000 for the first time, while continuing Nebraska's NCAA record-setting sellout streak. The expansion, which is set for completion before the 2013 football season, will include athletic and academic research components.

In the spring of 2010, the city of Lincoln also received voter approval to begin construction on the 16,000-seat Pinnacle Bank Arena, which will serve as the new competitive home for both Nebraska men's and women's basketball programs beginning in 2013-14.

The basketball programs, the wrestling program and many of NU's other sports also have benefitted from the new Hendricks Training Complex at the Bob Devaney Sports Center. The facility, which opened in October of 2011, includes practice and team areas, and greatly expanded athletic medicine and strength training areas.

The Nebraska baseball and softball programs also received a new indoor practice facility at Haymarket Park, which opened in the fall of 2011.

The first step in Osborne's aggressive building plan for Nebraska's facilities began in the summer of 2010, as the Huskers broke ground on the Student Life Complex on the west side of Memorial Stadium. The Student Life Complex, which opened in the fall of 2010, directly benefits every Husker student-athlete with expanded academic resources.

While Osborne has helped initiate landmark moves off the field, he has continued to help coaches and student-athletes focus on Nebraska's tradition of competitive success.

In 2011-12, 10 Husker teams finished among the top 25 in the nation, including the Nebraska football team's New Year's Day appearance in the Capital One Bowl.

One of Osborne's first major decisions as athletic director was to hire Bo Pelini as the Huskers' football coach. Pelini, who had spent the 2003 campaign as NU's defensive coordinator, has energized Nebraska's storied tradition with four consecutive nine-win seasons. Pelini's Huskers have finished among the Associated Press top 25 in each of the last three seasons. The football program also contributed three CoSIDA Academic All-Americans to Nebraska's nation-leading total of 299 all-time, across all sports.

Coach Mark Manning's Husker wrestling program added a pair of CoSIDA Academic All-Americans. On the mat, NU tied for 21st at the NCAA Championships and have finished in the top 25 at five consecutive NCAA Championships during Osborne's time as NU's athletic director.

The tradition-rich NU volleyball program captured the Huskers' first-ever Big Ten Conference title in any sport in 2011, finishing No. 12 nationally while advancing to the second round of the NCAA Tournament. Coach John Cook's squad has claimed four conference crowns since Osborne's return to Nebraska.

The Husker women's gymnastics team led by Coach Dan Kendig added its first Big Ten championship, while finishing eighth nationally in 2012 for its third straight top 10 finish. The Nebraska women's indoor track and field team contributed another Big Ten title. Coach Gary Pepin's men added a tie for 11th at the NCAA Championships during the outdoor season for its best team finish since 2003, after tying for 23rd at the NCAA Indoor Championships. The NU men's and women's track and field teams have combined for four conference crowns, while producing eight top-20 finishes over the past five years.

The NU women's basketball team produced one of its best seasons in school history by rolling to a 24-9 record that included a run to the Big Ten Tournament championship game. Coach Connie Yori's Huskers finished No. 17 in the final AP poll and advanced to the NCAA Tournament for

the third time since Osborne's return to Nebraska. The 2010 Huskers ran to the best season in school history with a Big 12 title and an NCAA Sweet 16 berth in 2010.

Coach Scott Jacobson led the Nebraska women's tennis team to the best season in school history in 2012, posting a school-record 24 wins and No. 16 final ranking. The Huskers advanced to the second round of the NCAA Tournament, marking the third straight season the team has advanced to the postseason. The Husker men's tennis program added its first two NCAA appearances in school history in 2010 and 2011.

Coach Bill Straub's bowling team added a third-place finish at the 2012 NCAA Championships, marking the program's fifth straight top-eight showing. The Husker bowlers claimed the 2009 NCAA title. The Husker softball team made three consecutive NCAA Tournament appearances from 2009 to 2011, while the Husker women's golf and baseball programs both earned NCAA Regional bids in 2008.

Osborne made his second coaching hire since his return to Nebraska, when he named two-time Major League All-Star, three-time Gold Glove award winner, and former No. 1 MLB Draft pick Darin Erstad as the baseball team's new coach on June 2, 2011. Erstad was not only one of the best Husker baseball players in history, he was the starting punter on NU's 1994 national championship football team coached by Osborne.

The baseball program responded by posting a 35-23 record in his first season. It marked a five-game improvement in the win column over 2011. Osborne made another high-profile hire with addition of men's basketball coach Tim Miles on March 24, 2012. Osborne also hired former Husker Stacy Underwood as NU's fourth rifle coach on May 24, 2012.

Academically, Nebraska produced eight CoSIDA Academic All-Americans in 2011-12, increasing its nation-leading total to 299 all-time, across all sports. NU also graduated a school-record 155 student-athletes from August of 2011 through May of 2012.

Before being asked by Chancellor Perlman to return to Nebraska as athletic director in 2007, Osborne served three terms in the U.S. House of Representatives (Nebraska's 3rd congressional district) from 2000 to 2006.

He returned to academia following a 2006 gubernatorial bid, serving as a senior lecturer at Nebraska in the College of Business Administration, teaching leadership and business ethics, in the fall of 2007. Osborne also worked as a consultant for local college athletic departments for two years.

Osborne and his wife, Nancy, continue to pour their time and support into the TeamMates mentoring program, which they founded in 1991. TeamMates provides encouragement to school-aged youth to help them graduate from high school and pursue a post-secondary education.

Osborne's leadership of the TeamMates program began while he was putting the final touches on one of the best coaching careers in college football history. The Hastings, Neb., native, who earned master's and doctoral degrees in educational psychology from the University of Nebraska, was named NU's 25th head coach following the 1972 season.

In 25 seasons with Osborne at the helm, the Huskers mounted a 255-49-3 record - the sixth-most wins in major college history. Osborne's .836 winning percentage ranked fifth all-time. His career came to a close with a 42-17 win over No. 3 Tennessee in the 1998 Orange Bowl, when he became the first coach in college football history to retire as a reigning national champion. Following his career, he became one of just four coaches in history to have the mandatory three-year waiting period waived for induction into the National Football Foundation College Hall of Fame in December of 1998.

Osborne's 1994 and 1995 teams allowed Nebraska to become just the second school in history to post back-to-back perfect national championship seasons (Oklahoma 1955-56). Nebraska put together the best five-year run in college football history from 1993 to 1997, going 60-3 with five straight 11-win seasons.

Osborne led NU to 13 conference crowns, including six of his last seven seasons on the sideline. All 25 of his Husker teams won at least nine games and went to a bowl, while 15 won 10-or-more games.

In the classroom, the NU football program totaled 65 CoSIDA Academic All-America awards in Osborne's 25 years. In fact, he accumulated more football Academic All-Americans in his 25 years as coach than any other football program in the nation has produced in its history.

Prior to becoming head coach, Osborne spent five seasons under Devaney, helping the Huskers win back-to-back national championships in 1970 and 1971. In 1973, Osborne succeeded Devaney, who also served as Nebraska's Athletic Director from 1967 to 1993.

Osborne and his wife, Nancy, have three adult children, Mike, Ann and Suzanne and four grandchildren.

A member of the Nebraska Athletics senior administration since May 2003, Marc Boehm (pronounced BAME) serves as executive associate athletic director and is the top assistant to the athletic director. Boehm fulfills the director's responsibilities in his absence and also serves as the department's chief operating officer.

Boehm oversees the efforts of several areas within athletics, including marketing, media relations, HuskerVision, facilities and events. Boehm also oversees the Nebraska men's and women's basketball programs and the Husker soccer program. He also played a major role in the athletic department's negotiations for its contract extension with IMG College Sports. To date, it is the largest multi-media rights contract in college athletics.

As the primary administrator for the NU basketball programs, Boehm played an integral role in the hiring of Tim Miles as the Huskers' new coach in March of 2012.

Under Boehm's supervision, Coach Connie Yori's women's basketball team enjoyed the best season in school history in 2009-10. The Huskers made their seventh straight postseason trip, advancing to the school's first NCAA Sweet 16. Yori captured 2010 National Coach-of-the-Year honors by leading the Huskers to a Big 12 record-tying 30-game winning streak and the 2010 Big 12 regular-season title. NU ranked in the top 10 in the final national polls and seventh nationally in home attendance with 7,390 fans per game. In conference play, NU led the league with 11,383 fans per game. The Husker women added their fourth NCAA Tournament trip in the past six seasons in 2012, after running to a runner-up finish at their inaugural Big Ten Tournament.

Boehm has also played an integral role in the planning of Nebraska's new Pinnacle Bank Arena for men's and women's basketball, which is scheduled to open for the 2013-14 season. He also worked to help develop Nebraska's new practice facility - the Hendricks Training Complex - which

opened at the Bob Devaney Sports Center in October of 2011.

Boehm also took the lead role in obtaining First National Bank and Ameritas as premier sponsors for the Nebraska Athletic Department for a combined deal worth more than \$7 million over a three-year period. First National Bank and Ameritas joined Verizon, Pepsi and adidas as premier corporate sponsors for Husker athletics.

Boehm held the same position at Pittsburgh from 1997 to 2003. Boehm assisted in the rise of the Panthers' basketball program with the men's team posting back-to-back Sweet 16 appearances in the NCAA Tournament. During construction of the Panthers' new athletic facilities, Boehm played a central role in Pitt's athletic teams moving to the UPMC Sports Performance Complex, Heinz Field and the Petersen Events Center.

Boehm served as interim athletic director at Pittsburgh for nearly five months before coming to Nebraska. During that time, he hired new men's (Jamie Dixon) and women's basketball (Agnus Berenato) and soccer (Sue-Moy Chin) head coaches for the Panther program.

Boehm also spent five years as associate executive director of the Tostitos Fiesta Bowl. He directed and managed a 125-member fund-raising committee of Arizona business people responsible for generating more than \$4.5 million in cash and in-kind partnerships. Previously he spent four years as associate executive director and public relations director of the Sun Bowl from 1987 to 1991.

Born in Grand Island, Boehm earned his bachelor's degree in communications from Kansas State in 1984 and added a master's degree in sports management from St. Thomas (Fla.) University in 1985. Boehm and his wife, the former Janelle Broderick of Minot, N.D., have three boys, Broderick, Christian and Lukas John.

2012 BIG TEN TOURNAMENT

WEDNESDAY, OCT. 31 - SUNDAY, NOV. 4
BLOOMINGTON, IND. - ARMSTRONG STADIUM

BIG

After not having a Big Ten Soccer Tournament in 2009 or 2010, the conference's championship event returned in 2011 to decide the automatic bid to the NCAA Tournament.

The 2012 Big Ten Soccer Tournament will begin on Wednesday, Oct. 31 and will continue through Sunday, Nov. 4 at Armstrong Stadium in Bloomington, Ind.

Starting in 1994, host-school Wisconsin won the first conference tournament with a 3-0 win over Minnesota, while the Badgers added another tournament title in 2005.

Eight programs overall have won a Big Ten Tournament title, including five teams that have won multiple crowns. Penn State is the only school with more than two tournament titles, as the Nittany Lions have won five crowns (1998, 2000, 2001, 2006, 2008).

Last season, Penn State won its 14th consecutive regular-season Big Ten title, but fell in overtime, 2-1, to No. 2 seed Illinois in the tournament championship game. Illinois, Penn State and Ohio State each earned bids to the NCAA Tournament, with the Nittany Lions advancing to the NCAA Sweet 16.

As a member of the Big 12 Conference, Nebraska enjoyed tremendous success at the league tournament, capturing five titles and producing an 18-9 all-time record. Nebraska's five Big 12 titles came in 1996, 1998, 1999, 2000 and 2002. The Huskers also claimed regular-season crowns in 1996, 1999 and 2000.

The first three rounds and the quarterfinals will take place at campus sites around the country. The first and second rounds will be held Nov. 9-11 at campus sites.

Third-round games will be contested at eight host institutions Nov. 16-18. The tournament quarterfinals take place Nov. 23-25 at four campus sites.

NSCAA All-Americans

Although the Nebraska soccer program is still young compared with the other powers in women's collegiate soccer, the Huskers have already earned 17 All-America awards from the National Soccer Coaches Association of America in the past 16 seasons.

Midfielder Kari Uppinghouse became Nebraska's first first-team All-American in 1996. Uppinghouse provided a dominant physical presence in the midfield while leading the Huskers to their first NCAA Tournament and a 23-game winning streak as a junior in 1996. Two other Huskers, Lindsay Eddleman – who became Nebraska's first freshman to earn All-America honors – and goalkeeper Rebecca Hornbacher, joined Uppinghouse as All-Americans in 1996.

In 1998, three Huskers earned All-America honors, including Sharolta Nonen, who became the first Nebraska player to become a two-time All-American. Isabelle Morneau and Kim Engesser also added the first honors of their careers.

In 1999, Morneau claimed her second straight second-team NSCAA award, while Nonen became the first Husker to be a three-time All-American.

Jenny Benson earned first-team All-America honors as a senior defender in 2000, after moving from the midfield in the spring. Midfielder Meghan Anderson also earned first-team honors, while forward Christine Latham, the Big 12 Player of the Year, nabbed second-team honors.

Latham scored a conference-high 46 points on 18 goals and 10 assists to earn third-team honors in 2001. She was also named to the third team in 2002, after scoring 35 points on 16 goals and three assists.

Brittany Timko earned third-team All-America honors in 2004 and 2005. A three-time Big 12 Player of the Year, Timko finished the 2004 season with 15 goals, 13 assists and 43 points. In 2005, Timko set a Big 12-record with 21 assists and added 11 goals for a total of 43 points for the second consecutive season.

In 2010, Morgan Marlborough became Nebraska's most recent All-American, earning second-team honors after an 18-goal, 12-assist campaign. The two-time Big 12 Offensive Player of the Year ranked second nationally with 48 points.

BEYOND NEBRASKA

Huskers in the World Cup

Beginning in 1991, the best women's soccer players in the world have battled for the Women's World Cup every four years in front of hundreds of thousands of soccer fans in stadiums across the globe.

Canada is one of 16 teams that qualified for World Cup competition in 1999, 2003, 2007 and 2011 thanks in large part to former Huskers filling the Canadian roster.

Husker Head Coach John Walker made his debut with the Canadian World Cup team as an assistant coach in 1999. He was joined on that team by five of his former NU athletes.

In 2003, seven former and future Huskers made the 20-player roster. The Husker-heavy squad played to the semifinal match, where it was defeated by Sweden, putting it up against the United States in the consolation finals where it lost 3-1. Four Huskers earned roster spots in 2007, while Karina LeBlanc and Brittany Timko returned to the squad in 2011.

In all, nine former Huskers have played on women's soccer's grandest stage in the Women's World Cup.

2011 Women's World Cup

Brittany Timko and Karina LeBlanc returned to the 2011 World Cup as part of Canada's National Team. The Canadians were put in Group A with France, Nigeria and host-team, Germany. Canada opened with a 2-1 loss to Germany and was then shut out by France, 4-0. The team's final match with Nigeria was scoreless until the 73rd minute when Perpetua Nkwocha scored the only goal of the game to give Nigeria a 1-0 win.

2007 Women's World Cup

Four former NU greats made repeat appearances on the 2007 Canadian National Team. Tanya Dennis saw the most game action, as she appeared in three matches, while Brittany Timko and Amy Walsh each played in one game. Karina LeBlanc rounded out the Huskers to make the squad. Canada failed to advance past pool play, losing 2-1 to Norway to open the World Cup, before rebounding with a 4-0 win over Ghana. Canada scored just 37 seconds into its third match, but Australia rebounded to tie the game at two. The tie provided Australia the one point it needed to advance into the quarterfinals and edge out Canada.

2003 Women's World Cup

Former Huskers Brittany Timko, Tanya Dennis and Sasha Andrews all saw action on the pitch for Canada in its fourth-place finish in the 2003 FIFA Women's World Cup, the Canadian's best finish in history.

Timko played all 540 minutes in six contests of the World Cup and notched one assist in the tournament. Dennis played 450 minutes in the back in the first five games before suffering a concussion.

Former Husker All-American Christine Latham was responsible for three of Canada's 10 goals during the tournament, including two goals in a 3-0 win over Argentina.

Making repeat appearances on the Canada World Cup squad in 2003 were All-America defenders Sharolta Nonen and Isabelle Morneau, and All-America goalkeeper Karina LeBlanc. All-American Breanna Boyd made the original roster, but did not compete because of an injury.

1999 Women's World Cup

All-America defenders Sharolta Nonen and Isabelle Morneau, All-Big 12 midfielder Amy Walsh and All-Big 12 defender Tanya Franck earned spots in Canada's starting lineup, while All-American Karina LeBlanc played a key role as a reserve on a talented Canadian squad. In addition to the Huskers on the field, Nebraska Head Coach John Walker represented the Huskers on the sideline as an assistant coach with the Canadian National Team.

Huskers in the Pros

With stellar collegiate careers behind them, several Huskers chose to continue their playing days at the professional level. Eleven former Nebraska soccer players were drafted into the Women's United Soccer Association (WUSA), an eight-team league that ran from 2000 to 2003, while three former Huskers play in Women's Professional Soccer (WPS), a seven-team league that started in the spring of 2009. NU is one of six schools to have at least two former players drafted in the WPS, and only seven programs have more players in the league.

"We had 11 former Nebraska players in the Women's United Soccer Association (WUSA), so it is great to see the tradition of former Huskers playing professional soccer continued in the new WPS," Nebraska Head Coach John Walker said. "[LeBlanc and Latham] are talented players and have shown, with their national team and previous professional playing experience, they will succeed in the WPS."

COMPLIANCE GUIDELINES FOR FANS

The University of Nebraska Athletic Department takes great pride in abiding by the National Collegiate Athletic Association (NCAA) and the Big Ten Conference rules and guidelines that govern Division I competition. For the benefit of the many alumni, fans and booster club members who are so active in supporting and assisting the Huskers throughout the year, we would like to remind everyone of a few definitions and rules that apply to all athletic representatives and boosters.

NCAA PRINCIPLES

Institutional Control

It is the responsibility of the University of Nebraska to control its intercollegiate athletic program in compliance with the rules and regulations of the NCAA.

Responsibility

The University of Nebraska's responsibility for the conduct of its program includes responsibility for the actions of its staff members and for the actions of any other individual, booster or organization engaged in activities promoting the athletic interests of the institution.

Compliance

The University of Nebraska must monitor its program to assure compliance and to identify and report to the NCAA instances in which compliance has not been achieved. An institution found to have violated NCAA rules is subject to disciplinary and corrective actions as determined by the NCAA.

Questions and Answers for Fans, Boosters, Alumni and Representatives of Athletic Interests

DEFINITIONS

Q: What is a booster?

A: Someone who belongs to a University of Nebraska athletic booster club; promotes or makes financial donations to the athletic department or a specific Husker team; assists in the recruitment of prospective student-athletes; employs, gives benefits to, or provides services to a student-athlete, a prospective student-athlete or the relative/friends of either.
REPRESENTATIVE OF ATHLETIC INTERESTS (I.E., BOOSTERS), NCAA BYLAW 13

Q: What is a Prospective Student-Athlete?

A: A prospective student-athlete is a student who has started classes for the ninth grade or above, including students in prep schools and junior colleges as well as students who have officially withdrawn from a four-year institution and plan to transfer to another institution. In addition, a student who has not started classes for the ninth grade becomes a prospective student-athlete if the institution or a Nebraska booster provides the individual or the individual's relatives or friends with any financial assistance or benefits that the institution does not provide to prospective students in general. A good rule of thumb is to treat ALL STUDENTS as prospects.

Q: What is a Student-Athlete?

A: A student-athlete is a student whose enrollment was solicited by a member of the Nebraska athletic staff or other representative of athletic interests with a view toward the student's ultimate participation in the intercollegiate athletic program.

Q: What is a contact?

A: Contact is ANY face-to-face encounter between a prospect, or the prospect's parent or legal guardian, and a Nebraska staff member or athletic representative during which any dialogue occurs.

Q: What is recruiting?

A: Recruiting is any solicitation of a prospect or a prospect's family member (or guardian) by an institutional staff member or by athletic representative of the institution, for the purpose of securing the prospect's enrollment and ultimate participation in Nebraska's intercollegiate athletic program.

Notice of NCAA Probation: From 2007 to 2010 the University of Nebraska unintentionally reimbursed student-athletes for recommended textbooks as well as required textbooks through a failure to properly administer and monitor book scholarships. Only reimbursement for required books is permissible under NCAA rules. As a result, the NCAA placed the University of Nebraska on two-year probation, beginning in January 2012. The NCAA did not impose additional penalties such as loss of scholarships, forfeiture of games, or a ban on postseason play. Rather, as a condition of probation, Nebraska will continue to educate student-athletes and staff thoroughly on NCAA bylaws and will notify prospective student-athletes of its probationary status.

GUIDELINES

Q: What is a Booster?

A: Someone who belongs to a University of Nebraska athletic booster club; promotes or makes financial donations to the athletic department or a specific Husker team; assists in the recruitment of prospective student-athletes; employs, gives benefits to, or provides services to a student-athlete, a prospective student-athlete or the relative/friends of either.
REPRESENTATIVE OF ATHLETIC INTERESTS (I.E., BOOSTERS), NCAA BYLAW 13

Q: What constitutes impermissible contact by a Booster?

A: Phone calls to prospects (9th to 12th grade) and their relatives placed for recruiting purposes (questions about the athletic program at UNL must be directed to the coach); writing, paging, text messages or instant messages to a prospect to encourage UNL attendance; contact with a prospect at a high school or club contest; contact with a prospect or his/her coach, principal, or counselor to evaluate the prospect; visiting the prospect's educational institution to pick up videotape or transcripts for evaluation purposes; contacting a prospect to congratulate him/her for signing a National Letter of Intent to attend UNL; giving anything of value to a prospect to induce him/her to attend UNL; contact of any kind while the prospect is on the UNL campus for an official or unofficial visit.
RECRUITING CONTACTS, NCAA BYLAW 13

Q: What are the rules of employment for a student-athlete?

A: A student-athlete may be employed during the academic year or summer vacation period; receive compensation equal to the going rate for similar services in the locale; receive compensation only for work performed; receive benefits provided to all other employees; teach sport-related individual skill instruction or fee-for-lesson sessions. A student-athlete may not conduct personal sport camps or promote, market, advertise or endorse a commercial business or product.

Only benefits that are authorized by NCAA legislation shall be provided to and accepted by a student-athlete. It is not permissible for a student-athlete to receive a benefit that is the result of a "special" arrangement by an institutional employee, booster, employer or fan.
EMPLOYMENT, NCAA BYLAW 12

Q: What are non-permissible benefits?

A: Free or reduced-fee housing/rent including the use of vacation or seasonal homes; free or reduced-fee meals; loans or cash advances in pay or salary; tuition costs or school supply expenses; gifts or presents of any type regardless of the occasion or purpose; use of telephone for long distance or use of telephone cards and cell phones; free use of any motor vehicle, boat or recreational vehicle; free use of services (i.e., automobile repair, hair care, laundry, copying, faxing, etc.); free or reduced-fee memberships at golf courses, health clubs, etc. (This list is not exhaustive. Only benefits that are authorized by NCAA legislation shall be provided to and accepted by a student-athlete. It is not permissible for a student-athlete to receive a benefit that is the result of a "special" arrangement by an institutional employee, booster, employer or fan.)

BIG TEN CONFERENCE

Formed more than 116 years ago, the Big Ten Conference is an association of world-class academic institutions with shared values and goals. Since its inception in 1896, the pursuit and attainment of academic excellence has been the priority for every member institution. However, maintaining the conference's status as one of the preeminent athletic conferences in the country also endures as an important component of the Big Ten student-athlete experience. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its student-athletes not only on the field and in the classroom, but around the world as well.

James E. Delany
Commissioner

Academics

All Big Ten Universities have been granted Tier One Status by the Carnegie Foundation for the Advancement of Teaching, a distinction awarded to just over 100 universities. Big Ten schools have produced more than 1,400 Academic All-Americans, more than any other conference, including 36 in the last academic year.

The Big Ten leads all conferences with the highest number of ranked graduate school programs among the top 25 according to U.S. News and World Report in 2012. The Big Ten ranks first with 30 top-25 programs in the fields of law, medical (research and primary care), business, engineering and education.

Successful Programs

During the 2011-12 season, the Big Ten claimed seven team national championships, including titles for Illinois men's gymnastics, Minnesota women's ice hockey, Northwestern women's lacrosse, Ohio State fencing and synchronized swimming, Penn State wrestling and Wisconsin men's cross country.

The Big Ten led all conferences with national titles in 12 different NCAA-sponsored championships from 2002-03 to 2011-12. Over that time period, the Big Ten produced championships in cross country, fencing, golf, gymnastics, ice hockey, lacrosse, soccer, softball, tennis, track and field, volleyball and wrestling.

Student-Athlete Opportunities

Big Ten universities provide over \$136 million in direct financial aid to nearly 10,000 student-athletes, more than any conference.

The Big Ten sponsors 25 official conference sports, 12 for men and 13 for women. The 26th conference sport, men's ice hockey, will begin in 2013.

Television Exposure

The Big Ten's media agreements with CBS Sports, ABC/ESPN, FOX and the Big Ten Network (BTN) provide the conference with its greatest television exposure ever. Nearly 1,000 Big Ten events are produced and distributed nationally on an annual basis.

In 2006, the Big Ten created the first national conference-owned television network, the BTN. It launched on Aug. 30, 2007, and now is in its sixth year of operation. BTN is in 51 million homes in the United States and Canada, through agreements with more than 300 cable, satellite and telco providers, and is available internationally in 20 countries.

Attendance

Big Ten fans are some of the nation's most supportive, with more than 10 million patrons attending conference home contests during the 2011-12 seasons for football, men's and women's basketball and volleyball alone.

Honoring Legends. Building Leaders.

The mission of the Big Ten Conference has always been to excel athletically without compromising the priority our member institutions assign to their academic standards and to their commitment to student academic success. We seek to celebrate the many accomplishments of Big Ten student-athletes while continuously reinforcing each of our member institutions' high academic standards. Striking that important balance between academics and athletics is integral to the Big Ten's identity, and the Big Ten's "Honoring Legends. Building Leaders." campaign links directly to the Big Ten mission.
